Sir:

Would you be kind enough to have someone on your staff put into the airmail for me any available material on income tax exemption laws? I want especially information :

- 1) as to the exemption laws governing Foundations and Trusts established in India; that is, their tax exemption as non-profit organizations; and
- 2) The laws governing tax exemptions on donations made by individuals or organizations to such Foundations or Trusts.

Thank you.

Yours sincerely,

Julie Medlock
